SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Current Employment Statistics (CES) program information collection. The Congress has charged the Bureau of Labor Statistics with the responsibility of collecting and publishing monthly information on employment, average wages received, and the hours worked, by area and by industry. See 29 U.S.C. 2. The CES program provides current monthly statistics on employment, hours, and earnings, by industry. The statistics are fundamental inputs in economic decision processes at all levels of government, private enterprise, and organized labor. The BLS Authorizing Statute and Wagner-Peyser Act of 1933, as amended section 15 authorize this information collection. See 29 U.S.C. 1, 2, and 491-2.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not

required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains approval for this information collection under Control Number 1220-0011.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on October 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on June 3, 2014 (79 FR 31990).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1220-0011. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
